

Ready, Steady, Cook!

4th Potters Bar Cubs cook their way to a win at District competition

With two teams entered, 4th Potters Bar Cubs were well represented at the District 'Ready, Steady, Cook!' competition and with advice from Mysa and Ash and their bag of mystery ingredients the competition was soon underway. With potatoes, red pepper, onion, tinned tomatoes, vegetarian sausages, kiwi and melon to work with, each team got to work designing and cooking their 2 course meals.

All the teams had fun and displayed great team work and creativity to come up with a variety of tasty meals ready for the judges. Matthew and Alexander were commended by the judges for their creativity and presentation of their 'stew' displayed in a billy can surrounded by artistically arranged fried vegetables. Our second team consisting of Luke, Heston, Jamie and Lewis won the competition overall with a tasty ratatouille, sausages and fried potatoes. ADC Alison Heatley awarded the boys the 'Ready, Steady, Cook!' shield and each received a fabulous wooden spoon!

Well done Cubs!
